REPORT OF THE

INSURANCE TASK FORCE

The Task Force recognizes the length and complexity of this final Part II of its report, but it has diligently attempted to compress the data and its findings into the smallest possible compass. These data and findings at present affect [redacted] CIA employees and their families. The Task Force believes that the attractiveness of the new plan may, with appropriate internal publicity, cause this number to be speedily augmented.

25X9A2

The Task Force recommends that the members of the Board read, in particular, pages 1 through 12 and 17 through 25.
