1. With only slightly subdued glee, @REIMER has reported that Wolfgang HOEHER recently died in Leipzig. According to REIMER, all that UPSWING knows of the circumstances at this time is that Frau HOEHER received a letter from a relative in the DDR announcing the death and inquiring whether or not she intended to be present at the funeral. For obvious reasons Frau HOEHER did not attend.

2. Although not entirely discounting the possibility that the letter represented an attempt to lure Frau HOEHER into the DDR, UPSWING tends to believe the report. @REIMER promised to provide further details concerning the circumstances of the death as they may become available to UPSWING.
