"In the name of the most kind and most merciful Allah."

"So you did not slay them, but it was Allah Who slew them, and you did not smite when you smote (the enemy), but it was Allah Who smote, and that He might confer upon the believers a good gift from Himself; surely Allah is Hearing, Knowing.' [Verse 17, Surat Al-Anfal.]"

"Military Announcement from the Nation's Army – Jerusalem:"

"With the help of Allah and his blessing, after putting our trust in Allah and as part of the response to the Conqueror's crimes and his reoccurring attempts to defile our holy objects and charge Al-Aqsa Mosque; in this blessed night of Yom Al-Arfa , one of the days of Dhu Al-Hijjah, which is the best day of the year."

"In this night, after on-going tracking and precise tracing, Mujahidin of the Nation's Army- Jerusalem launched three 60 millimeter caliber mortar bombs towards an infantry Zionist force that was scanning the area between the military fortifications of Abu Safia and Abu Mutaybak, east of the area where the source of fire was. This took place in 02:40 AM, a minute before the rise of dawn of Thursday 26/11/2009. Hopefully the bombs hit their goal, with the will of Allah. As the group returned to the area from which they set out, they were protected by the patronage of the Exalted and Almighty Lord and were encompassed by Godly providence. Upon arriving to a safe place, the Mujahidin bowed down in prayer to praise Allah and thank him, turning to Allah and saying to him that they have reached Shahada as they left the Conqueror wounded and bruised deeply and all over."

"With the help of Allah, our reply to the Zionist crimes against our people and our nation shall continue. The enemy must comprehend that the bill grows longer every day, and that Zionism will pay the toll, which will be high, sooner or later: 'Then will they shake their heads at thee, and say: When will it be? Say: It will perhaps be soon.' [Verse 51, Surat Al-Isra.]"

"We hereby swear to Allah, the sons of our people and the Mujahidin around the world to keep moving forward until Jerusalem will be set free and the Islamic caliphate's reign will be established, as the prophecy foretold, with Allah's help."

"Grace and Favor are of Allah."
