"All praise and thanks are due to Allah, Lord of the Worlds. Peace and blessings be upon the Prophet Muhammad, his family and his companions."

"Allah, tells us in spirit:"

"Permission (to fight) is given to those upon whom war is made because they are oppressed, and most surely Allah is well able to assist them;"

"Surah (22) al-Hajj: 39"

"These days we are witnessing violent clashes on the Muslim land of Yemen, between the soldiers of Allah, and the enemies of Islam because of the aggressors, the apostates from the Yemeni government and their masters from the White House in Washington, and the support of the coalition forces of the crusaders. There the blood of Muslims is being shed, their houses and villages are destroyed, thousands of women, children and old people are evicted from their homes and left homeless - and ... there is no objection because they are Muslims!"

"Because of these sad circumstances, the German Taliban Mujahideen Muslims call to resistance on the side of their Yemeni brothers and sisters and to support them with money, weapons and soldiers, and to make this prayer of supplication to Allah, to allow them to get the upper hand over their enemies and the power of their leadership. Allah has the power to do anything!"

"O Allah, destroy the Zionist Crusaders and their helpers."

"Give their equipment to the Muslims as spoils of war."

"O Allah, destroy them."

"O Allah, the heavens are thine, the country is yours, the seas are thine."

"O Allah let their entire air force crash, destroy all of its ground forces and leave all of their fleets on the water perish."

"O Allah, take, for us to revenge on them and bring upon them the misery which you have already brought about Pharaoh and his people."

"O Allah, flood their lands. Make them in need of money, food and other people."

“O Allah, annihilate them and destroy all their power and strength!”

“Allahu Akbar! Allahu Akbar! Allahu Akbar!”
