"In the name of Allah, the beneficent, the merciful."

"Praised be Allah, Lord of the Worlds, and peace and prayer be upon the Mujahedeen's Imam [the prophet], his dynasty, his company and they followers in goodness until the Day of Judgment."

"He had said: 'And thou [Muhammad] threwest not when thou didst throw, but Allah threw.' (Al-Anfal, 17)"

"On Thursday, the blessed day of Arafa, at exactly five o'clock in the evening and thanks to the grace and virtuousness of Allah alone, your brothers in the Tawhid and Jihad Group managed to launch five rockets of local production at the Sufa military post. Having documented the action, the lions of Monotheism returned safely to their bases, shrouded by Allah's protection and care. We pray to Allah for acceptance, reward, protection and guidance."

"Allah, you are our strength and our help."

"Allah, for your cause we writhe and fight."

"There is no power or potency in other than the great and exalted Allah, Who is always victorious, but most people do not know."
