

~~SECRET~~SUMMARY OF A DOCUMENT FROM A CENTRAL INTELLIGENCE AGENCY FILE
OF EUGENIO R. MARTINEZ

Eugenio R. martinez Careaga

Mr. Eugenio R. Martinez Careaga was interviewed by the Central Intelligence Agency in February 1964 as to (1) the question of whether he had been discussing information regarding Central Intelligence Agency operations with unauthorized persons, and (2) his relationship--at that time--with any of the individuals connected with a Central Intelligence Agency supported project directed at Cuba. Subsequently, during 1964, the CIA began to sever its relationship with the project.

Some months prior to the interview, Mr. Martinez, who had been associated with the aforementioned project at the time, was requested to choose between working within the project structure or working directly for the Central Intelligence Agency. He chose the latter.

As a result of the interview, the Central Intelligence Agency concluded (1) that there was no indication that Mr. Martinez had discussed Central Intelligence Agency operations with any unauthorized persons, and (2) while Mr. Martinez did associate socially with certain individuals of the aforementioned project, there was no indication that he, at the time of the interview, was participating in the operations of that project.

During the interview, it was also noted that Mr. Bernard Barker and Mr. Martinez were socially acquainted.
