(U) Message from the Director: New SIS Officers

~~CONFIDENTIAL//CIA INTERNAL USE ONLY//NOFORN~~

(b)(3)

(U) Please join me and the rest of the senior leadership team in welcoming remarkably talented officers into the Senior Intelligence Service (SIS). Having proven themselves as effective leaders, problem-solvers, mentors, and team players, each has earned a place on our Agency's leadership team as an executive manager or expert. They will apply their intelligence acumen, leadership attributes, and tradecraft excellence to creatively advance our global mission; they will drive to make this Agency more integrated, inclusive, collaborative and diverse, and therefore a more capable intelligence service.

(U) This year, for the first time, all GS-15 officers had the opportunity, through the petition for promotion process, to highlight their qualifications directly to promotion evaluation panels. Our senior leadership team found the petitions to be very valuable.

(U) I am tremendously honored to announce the SIS Class of 2017. To each of the following officers, please accept my congratulations on a job well done!
