SUBJECT: Audio Countermeasures Support to the
United States Secret Service

On 25 July 1968, and at the specific request of the United States Secret Service, this Office provided two audio countermeasures technicians to the United States Secret Service in connection with the Democratic National Convention held in Chicago, Illinois. This was not an official detail although both men were provided with temporary credentials identifying them as being affiliated with the United States Secret Service.

On 15 August 1968, we detailed the same two men to the United States Secret Service to cover the Republican National Convention in Miami, Florida. On both occasions, the team members were debriefed upon their return and it is clear that their activities were confined exclusively to sweeping the candidates and potential candidates quarters.
