

QUESTION:

Mr. Hunt asked for a backstopped telephone number in New York. From whom was this requested?

RESPONSE:

Mr. Stephen C. Greenwood, a current Agency Staff Employee, advised that Mr. Hunt asked him for a backstopped telephone number in New York. Mr. Greenwood informed Hunt that he (Greenwood) would have to check with his superiors before making such a commitment. Mr. Hunt requested this Agency support on or about 20 August 1971, but he was never provided with a New York telephone number.
