General C. L. Chennault
CNRA Air Transport
Shanghai

Dear General Chennault,

In reply to your letter of the 2nd inst. in which you drew my attention to the necessity of amending the contract of October 25, 1946, between CNRA and your Corporation, I have the pleasure to inform you that this Ministry agrees to amend the contract to permit the airlift of passengers and cargo belonging to any Chinese Government organization from the coast to the interior. The air-lift of passengers is to be limited to those who are designated by the consignor to take care of the cargo en-route to the destination. This amendment is valid for a period of three months.

I trust that this temporary arrangement will help to solve your difficulties.

With personal regards,

APPROVED FOR RELEASE DATE:

Sincerely yours,

Yu Ta - Wei
