[REDACTED]

0-14

Talked to Mr. Wisner about our Senior Representatives in [REDACTED] and [REDACTED] who are both GS-14s. I suggested that they should be promoted to 15 and Mr. Wisner approved. Mr. Hunt is getting all the details for a recommendation by Mr. Wisner.

Called [REDACTED] and found out that the magnetized joint SO/PC operations map will be ready in probably two weeks.

Called Mr. Douglass and told him that the Director had approved sending the daily CIB to Gen. Canine.

Checked to make sure that Dr. Langer and [REDACTED] would go to the NSC Senior Staff meeting this afternoon.

Wrote memorandum to Mr. Jackson on the [REDACTED] incident and whether [REDACTED] telephones were covered.

Called [REDACTED] O/SO, and asked him to be in Mr. Jackson's office at 11:15 a.m. tomorrow to give a presentation on fabricated intelligence.

[REDACTED]

70-14

Dr. Chadwell called and stated that if a survey was to be made of the scientific intelligence field, it should be made by someone cleared for special source intelligence.
