Director's Meeting
24 September 1951

Mr. Wisner brought up the question of ^{prisoner} personnel exchanges in Korea and wanted to know if this should be brought before the PSB. He agrees that there should not be forced repatriation but feels that the JCS do not provide adequate safeguards for American prisoners. Mr. Dulles will follow this.

Mr. Wisner mentioned the proposed answer to the [redacted] note stating that we should recommend to State Department what should be said on CIC operations [redacted]. This should be discussed with General Bolling and this will offer a good opportunity to take up the whole [redacted] situation. Mr. Wisner will draft recommendations for Mr. Dulles' approval.

Mr. Wisner asked about [redacted] Mr. Dulles stated that both Dr. Langer and Mr. Douglass wanted him and he was not going to be forced on OPC.

Mr. Wolf brought up the matter of an ORR employee who has become a security risk and whose case will probably come up before the Personnel Review Board. Such cases in the future will go to Colonel Edwards and Gen. Davison and they will determine which ones should come before the Board.

Director's Meeting
24 September 1951

Mr. Wolf brought up Mr. Angleton's project. He feels that such matters should go through Mr. Wisner. Both Mr. Wisner and Mr. Dulles agree. This brings up the possibility of the necessity for reviewing the whole project procedure.
