Mr. Dulles.

HR70-14

Talked to Dr. Langer in regard to the [ ] study and  
suggested that this be rerun on SECRET paper thereby raising the  
classification from CONFIDENTIAL. This will be done and all copies  
will be held until we authorize internal dissemination.

Mr. Helms called and wants to bring General Gehlen up to  
see the DCI on Monday. I will arrange a time.

Talked to Dr. Andrews about his requests for the [ ]  
Told him it was being rerun and that we would probably release copies  
for O/CD next week.

Called Dr. Langer and advised him that the DCI wants SE-16  
printed and issued in the regular form for SEs. The DCI feels there  
is no need for this to be handled as a working paper and [ ] can use  
the regular published edition.

[ ]

Went to see Mr. Bohlen, State Department, and discussed  
with him the Hoover letter, 27 September, in regard to the split  
in the Politburo. Left a copy with him and have been assured he  
will protect us on it. We will receive a copy of his memo to  
Secretary Acheson. On the basis of this, a new evaluation of the  
letter will be drawn up.
