The DCI brought up the question of the chain of command under the DD/P and questioned whether it should be Gen. Wyman or Col. Johnston. The DCI and Mr. Wisner agreed for the time being it would be better if Mr. Dulles took over during Mr. Wisner's absence. The DCI noted that Mr. Dulles would be away ten days but no alternative was suggested.

Mr. Larocque mentioned [redacted] and it was arranged that he should see the Director at 4 o'clock with Mr. Dulles.

Mr. Dulles mentioned the Hoover letter. The DCI said that we received this kind of thing constantly and there was nothing to be excited about. Mr. Larocque will receive a memorandum from [redacted]. This will be coordinated with O/CI and O/NE and a draft reply drawn up for the DCI's signature. Probably should go to Mr. Lovett or Mr. Lay.

Mr. Wisner mentioned the request from State asking our authorization for them to release the record of the October 1949 meeting on Far East policy. This includes a briefing by [redacted] who at that time was with ORE. The DCI said that we would authorize State to release but that the CIA briefing must be deleted as a matter of principle.
