

MEMORANDUM FOR: GENERAL SMITH

General Eisenhower's birthday is Tuesday,
14 October.

DR
DR

10 October 1952
(DATE)

10 October 1952

Dear Ike,

Although I know you will be deluged by greetings for your birthday, Nory and I want to send our sincerest affection and heartiest congratulations. Also, I want to say thanks for your note of birthday wishes which I appreciated very greatly, knowing how terrific the pressure is. I must say I don't see how you stand it! October is a hell of a month, what with birthdays and everything else.

Much affection to both of you.

psf Beede

General Dwight D. Eisenhower
