Deputies' Meeting

Monday, 5 January 1953

PRESENT: General Smith, Messrs. Dulles, Wisner, Wolf, Becker, Hedden, Earman

General Smith:

HR70-14

a. Noted a cable from the Senior Representative, [redacted] regarding the forthcoming visit by Admiral Overesch [redacted] and, after some discussion, approved both of these individuals visiting Headquarters at the same time. HR70-14

b. Stated that a certain individual had agreed to accept [redacted] CFE upon his retirement from Government service, provided we could arrange to pay him a salary of about \$15,000 p.a. in addition to his retired pay. After some discussion, the Director asked DD/A to insure that the payment of this salary could legally be made [redacted] and without impairment to the retired pay of the individual in question. In this connection, the Director noted that we should continue the [redacted] each year in order that funds would be available for payment of similar cases. 14

Mr. Wisner (cont'd.)

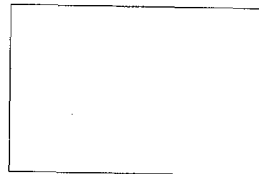

Group and this was a function of DD/A; (2) Joe Larocque could also be made available to assist this committee in drawing up its report; (3) we should prevail upon [REDACTED] to lend his assistance; (4) we urgently needed a list of those people who would serve in any capacity in order that they could be cleared; (5) the committee should also draw some assistance from both the Departments of State and Defense; (6) the PSB premises should be used as the main Headquarters for this committee.

Mr. Becker:

a. Reported that (1) agreement had been reached with General Lemnitzer on the summary evaluation paper; (2) the Joint Chiefs and ourselves were in accord with the appointment of Lt. Gen. Idwal H. Edwards to chair the committee to study this paper; (3) State and Defense would designate members; (4) it would be necessary to discuss this paper with the ICIS and IIC. The Director noted that if necessary we would provide the funds for payment for Gen. Edwards' services while chairing the committee mentioned in (2) above.

b. Noted that the Western Hemisphere Division [REDACTED] [REDACTED] are to be commended for their accurate reporting on the revolution there.

c. Noted an over-all build-up in China, including ground, air and propaganda activities in relation to Korea, and stated that a paper was being prepared on this which would be passed to the Watch Committee for comment.
