Attention: Mr. N. Yaru

Gentlemen:

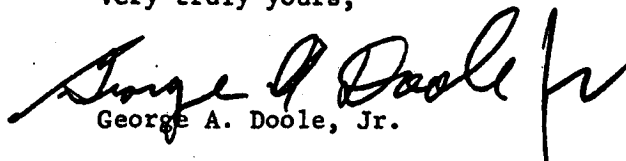

Upon your acceptance in the space provided below this letter shall constitute an agreement, to be identified as Air America Purchase Order No. HOM010P, pursuant to which Hughes Aircraft Company shall furnish System Management and such other engineering services and modifications to certain aircraft in accordance with the list of modifications and schedule agreed upon and as stated in the minutes of the meeting of 23 November 1970.

It is understood that the modifications are proprietary with Air America, Inc. and Hughes Aircraft Company shall exercise the same care and safeguards as are applied to Hughes Aircraft Company's own proprietary developments.

The work shall be accomplished on a cost plus a fixed fee of 9%. The total funds established for this Purchase Order is \$1,035,00.

Air America, Inc. shall make payment against invoices submitted by Hughes Aircraft Company on a monthly basis. These invoices shall be certified by Hughes Aircraft Company's accounts receivable department that the costs are true and accurate, and will contain a prorata share of fee earned.

Very truly yours,

George A. Doole, Jr.
