suspect: Novation Agreement

Air America, Inc. c/o Air Asia Co. Ltd. Tainan, Taiwan

- 1. Novation Agreement has been reviewed for legal sufficiency by the Air Force Office of the Staff Judge Advocate.
- 2. The Legal Office contends that the definition of the term "the contracts" in paragraph 1 of the agreement is too broad in scope and suggests that the words ", being performed by or through the Transferor's subsidiary, Air Asia Company Limited, Taiwan, Republic of China" after the word "thereto" appearing in the seventh line of paragraph 1 would be sufficient for this purpose.
- 3. Request your reply or questions concerning the above be directed to the undersigned immediately.
