Dear Mr. Leopold:

On 25 June 2014, the office of the Information and Privacy Coordinator received your 23 June 2014 Freedom of Information Act request for **all records relating or referring to "Devil Eyes."** You advised that **the CIA acknowledged the existence of the Devil Eyes project in on the record comments an agency spokesperson made to the Washington Post.** We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

We are currently processing a request for the same records from another requester. Once our research and review of that request are completed, we will forward to you the same CIA-originated records, if released. In accordance with our regulation, as a matter of administrative discretion, the Agency has waived the fees for this request because we believe the fees will be minimal. We have a substantial backlog, which we are working diligently to reduce, so we are unable to estimate when we will complete our review. However, we will notify you once the processing of the original request is complete.

Sincerely,

A handwritten signature in black ink, appearing to read "Michele Meeks".
