

DPD-4821-59

14 July 1959

MEMORANDUM FOR: Comptroller, DPD-DD/P

SUBJECT : Addition of Auto-Pilot (Lear) Tech Rep to Base "B"

1. The Acting Chief, DPD has approved the addition of a Lear Tech Rep to Base "B" to maintain the auto-pilot (please see attachment). The services of the Lear Tech Rep will be funded under Lockheed Contract No. SC-59 and it is estimated that \$31,021 will be required in FY-60 to satisfy this requirement.

2. The Administrative Branch Budget Estimates for FY-60 did not provide for this additional Tech Rep, however, our Program Approval for all Technical Representative Services under the responsibility of the Administrative Branch has included this expense under SC-59.

3. The above is brought to your attention in order that you may adjust our budget estimates if necessary, or take whatever action is appropriate.
