CENTRAL INTELLIGENCE AGENCY
SOURCE METHOD EXEMPTION 3B2B
NAZI WAR CRIMES DISCLOSURE ACT
DATE 2007

1. The following amendments, setting forth specific requirements for the establishment and operation of SR/Domestic Operations Base are submitted in accordance with para #4c of AE-ACRE. AE-ACRE was approved on 22 January 1952:

A. Office Space

(1) Reference is made to para 2a and 2c(1) of AE-ACRE. It is essential for security reasons to physically separate the Domestic Operations Base and its personnel from the overt Agency establishments. Suitable sterile Headquarters are therefore required if practicable in or near Washington, D.C.

(2) The office requirements are as follows:

- (a) office space for 50-60 people with a minimum of two separate entrances
- (b) parking space for 15 cars adjacent to or in the immediate vicinity of the Headquarters building
- (c) secure storage space, with a minimum of 1,000 square feet floor space, (this could be in the basement of the building)
- (d) projection room to seat 25 people
- (e) photographic dark room
- (f) a secure room containing a water tap, a sink and preferably a gas outlet.

(3) Since the office space needs to be located in a government-owned building, no rental expenditures are anticipated. The cost of providing accommodations for items (c), (d), (e) and (f) should not exceed \$5,000.
