I have filed a copy of the attached together with the comments I made on the routing sheet in the Support Office files. Am returning to you after informing [redacted] of this in the belief that this original should be a part of the DOB file for the reasons you so logically cite and, inasmuch as the DOB file would be the basic for an audit of that base, my thought was that the original should be therein. If you prefer, however, we'll be glad to retain it here.
