MEMORANDUM FOR: Chief, War Plans Staff

SUBJECT: Wartime UW Support of CINCPAC OPLAN 1-63

1. Attached herewith is the pencil annotated capabilities report for CINCPAC OPLAN 1-63.

2. It will be noted that the new UW operational areas have been given a "C" status (not accepted due to lack of present or programmed assets). This decision was reached after a careful study and review of existing agent cadres and the potential trainees to be contacted in the near future.

3. Despite this negative outlook, the fact that these additional requirements have been levied will serve as a guide for subsequent recruitment activities. Efforts will be initiated to permit acceptance of these new requirements for 1964 on a "B" acceptance status.
