MEMORANDUM FOR: Chief, Domestic Operations Base

SUBJECT: Use of AEDEPOT Graduates by Other Agency Components

1. Effective with your receipt of this memorandum and confirming our oral conversation on this subject, it will be SR Division policy that we will not make AEDEPOT graduates available for use by other area divisions for "special operational activity" unless the Chief, DOB, SR/COP, DC/SR or Chief, SR, are briefed in specific detail as to the nature of the operation involved and the specific use intended for each graduate.

2. I appreciate that this may result in some friction with other Agency components where sensitive projects are involved. None the less, the misuse of some of our recent graduates and with the inherent security risks to the AEDEPOT Project as a whole, it would appear to dictate the establishment of such a policy. There are to be no exceptions to this rule without the specific approval of the Chief, SR, or his designee.

3. I would like to add that the establishment of this policy does not in any way indicate a lack of confidence in the manner in which DOB has handled such matters in the past but is intended rather to lend Front Office support to an informal policy already in practice within DOB.

Deputy Chief, SR
