ACTION REQUIRED: For Your Information

1. The following traces have been found on the above references. We do not believe they are identical with your personality, but we are forwarding them on the possibility they may be of use.

- a. Dr. WELSCH, Secretary of CSS in Tuebingen, formerly with CSS Stuttgart, can be reached by telephone in Tuebingen at the family WISSEHARDT, who are active Communists. (NOTE: Swiss Health Center (Centrale Sanitaire Suisse) (CSS), poses as an international humanitarian organization in Switzerland. It was founded in 1936 for the support of red Spaniards. The CSS is used by the communists for purposes of intelligence, propaganda, chain of command, materials and logistical matters pertaining to asylum. It is possible that the CSS could be a link of a (not further known) Centrale Sanitaire Internationale (International Health Center) and thus a western outpost of the USSR for propaganda and intelligence purposes.) The date of this information is January 1948.
- b. Dr. WELSCH, Tuebingen, Hauklerstrasse, representative of CSS at the State Secretary of Ministry of Interior in Tuebingen, liaison deputy to authorities of the French Zone, to Central Office, Stuttgart of CSS. The date of this information is September 1946.
- c. A WELSCH, Kurt, Heinz is mentioned in CMGWU 1513, dated 24 June 1952. Subject was born 20 October 1924 in Magdeburg. A photograph of Subject is on file at Headquarters.
