3. The discrepancy between the amount originally requested for Project AEMANNER and the amount actually spent is largely explained by the fact that the field has been paying the salary and operational expenses of [ ] out of AEMANNER funds, while Headquarters has been carrying him under AEPOLE. The renewal of Project AEMANNER foresaw the inclusion of [ ] into the Project. This amendment will formalize the transfer of [ ] from Project AEPOLE to Project AEMANNER.

4. It is requested that the financial authorization in the current renewal of Project AEMANNER be increased by \$11,301.
