ADDENDUM TO PROJECT AEMANNER

[] [] This sub-agent was developed by [] []
[] and recruited by a case officer. He is being handled directly
by the case officer during his initial assignments. When he
has shown that he can operate without day to day supervision,
he will be turned over to [] []', who will handle him in
routine assignments. The agent is a Lithuanian emigre who
has many contacts in the Baltic emigre community in West
Germany. He will be used to spot, develop and in some cases
recruit Baltic REDSKIN leads. Operational Approval was granted
20 November 1956.
