Finance Division

SUBJECT: Proprietary Project AEMARSH

1. This will confirm our telephone conversation with your   in which we stated that Project AEMETHOD/AEMINX/AEMARSH was presently undergoing revision.

2. The difficulty in securing proper accounting, in accordance with the Administrative Plan, has been due to the fact that the accounting was required in the case of AEMETHOD, an instrumentality which has never been established and which it has now been determined will not be.

3. It was decided this morning in a meeting between representatives of PAPS, GN, and SR that a new project outline would be prepared and a new Administrative Plan drawn reflecting the revised project.
