DECLASSIFIED AND RELEASED BY
CENTRAL INTELLIGENCE AGENCY
SOURCE METHOD EXEMPTION 3020
NAZI WAR CRIMES DISCLOSURE ACT
DATE 2007

1. It is requested that the following points be discussed with the KUBARK legal section:

a. Will KUBARK continue to reimburse AEGANPOSANTO's 6, 8 and 9 if contact is maintained with them after August 1955 (if contact is maintained the implication is obvious that the agents are continuing to execute the mission on which they were dispatched)? (NOTE: The issue of control or cleanliness is inapplicable since the team may have been under control from August 1952 to the present during which period payments have not ceased.)

b. What will be the disposition of the money held in escrow for the three agents? (The statement made in paragraph 1 in Reference is incomprehensible since control of agents, should they be deemed to be under control, is tantamount to death.)

2. These valid points were raised by AEGANHISTA 1 representatives, the designated beneficiary of the escrow accounts. Furthermore, according to the wills of each of the three agents, the AEGANHISTA 1 organization is the beneficiary of the death benefits. It is requested that the item of "control" and severance of contact with a KUBARK team dispatched on a REDSOX mission into the Soviet Union be discussed with the Legal Section. Since the death gratuity was paid AEGANHISTA 1 for AEGANPOSANTO 4's "death", the issue will have to be resolved as concerns AEGANPOSANTO's 6, 8 and 9.
