- B. DIR 48009, dated 7 December 1957

1. Transmitted under separate cover attachment is a paper-backed booklet which is entitled "Coordinates B-52". This Russian-language booklet, which was furnished to the case officer by AECAMBISTA 4, was published by the Soviets and recently distributed to book shops in West Europe which handle Soviet publications. According to AECAMBISTA 4, he and various other AECAMBISTA 1 members in Paris made an attempt to buy out all the copies but found this impossible since the Paris bookstores were inundated with these booklets.

2. The first half of this book is devoted to the same story, pertaining to the Soviet capture of AEQUOR Team II, which had appeared earlier in the Komsomolskaya Pravda (see Reference A). However, the story has been revised, lengthened somewhat and presented in a more readable form from that which had appeared in the Komsomolskaya Pravda. Moreover, the photographs in this booklet, which are immeasurably clearer than those which appeared in the newspaper, clearly identify the members of AEQUOR Team II. The photographs of the equipment furnished the AEQUOR Team II members also leave no doubt as to its intended use.

3. The second half of the booklet is entitled "Tropoi Obrechennikh -- On the Trail of the Doomed." This is an expose of yet another REDSOX team which had been dispatched by KUBARK to the Soviet Caucasus. Identified as the principal KUBARK handlers in this operation are Identities A and B and Andrei (Inu), a KUBARK consultant. *Also mentioned is one MR John C*

4. This booklet is forwarded for your information in accordance with paragraph 4 of Reference B.
