SUBJECT: REDWOOD/AEQUOR/OPERATIONS/FINANCE

Status of Project AEQUOR

1. It is requested that this Base be advised soonest of the periods of approval for Project AEQUOR; this includes both the KUTUBE and the KUCAGE phases. Although AEQUOR is a Headquarters controlled project, the requested information is necessary to permit the Base to complete its files and to administrate properly the Base's responsibility in connection with this project. The aforementioned requirement has been levied upon the undersigned by the Base finance officer. A total absence of any information from Headquarters in this regard obliges us to request this at the present time.

2. Furthermore, in order to permit AECAMBISTA 1 to plan appropriately for the new fiscal year, we would appreciate learning at this time Headquarters thoughts and plans concerning the future of Project AEQUOR, both KUTUBE and KUCAGE, for Fiscal Year 1959.
