NAZI WAR CRIMES DISCLOSURE ACT
DATE 2007

1. In an attempt to present a complete financial picture of the AEQUOR project, reference b. included the sum of \$4,000.00 as having been set aside for radio. This figure should have been accompanied by the two words, "if approved." Budgeting of this money was for the sake of expediency, to preclude a later project amendment.

2. Participation by AECAMBISTA/1 in the Madrid activity is not approved at the present for the reason that that facility has undergone a personnel change which is inimical to our interests. The situation is a serious one and it is felt that we should not attempt to enlarge the number of participants in that undertaking lest such new expansion prove to be acutely detrimental to the Radio Madrid undertaking.

3. Should the situation at Radio Madrid ameliorate, or should AECAMBISTA developments warrant, the subject of AECAMBISTA participation in Radio Madrid will be discussed anew and if approved, will be encompassed within AEQUOR via project amendment.

4. Project AEQUOR is currently being redocumented upon the request of PP Projects Review. This redocumentation, which will serve to present the project in the light of current data, will request the following financially, for FY 1959:

	Paper subsidy
	Administrative/Operational
	Total
