REFERENCE: **MOOW-1172, dated 13 November 1959**

1. In the referenced dispatch, Headquarters requested comments from COS, MOB, and POB in regard to the renewal of ABQUOR for fiscal 1960, with particular emphasis on "a survey both of AECAMBISTA-1's present operational apparatus and how it fits together and of potential personnel and operational opportunity, both in the KUPURE and KUCAGE fields." We are especially interested in having an operational reappraisal from AECAMBISTA-4 himself, as suggested by Headquarters.

2. We request that MOB obtain this reappraisal from AECAMBISTA-4 as soon as possible and then forward it to COS with MOB's own comments and suggestions. We will postpone our reply to Headquarters until we have the benefit of MOB's thinking on the subject.
