SUBJECT: Meeting with Cass 15 on 19 Jan. 1954.

1. At this operational meeting attended by Cass 15, and the two Aerodynamic Case officers the following topics were touched upon.

a) W/T messages to Carthages 5 and 12. Cass 15 stated that he had noting for the 24Jan BB for C-12 but would try to obtain some news-type items from Cass 2 for the first B3 in Feb. In view of this, no BB will be sent on 24 Jan. as scheduled, but instead, base will send QRU. For Carthage 5, a continuation of OPS plan to be sent 26 Jan. and will conclude this plan in Feb. 7 BB. After this, Cass 2 will provide us with ~~mmmm~~ inform. re results of political discussions between ZCh-ZP, etc.

b) Excerpt from German language paper re Mueller affair: C-15 presented us with a photo copy of a German language paper and the english translation of an artilce on the Mueller affair and a denunciation of the NTS and liberation Comm. and other American sponsored emigre groups (Great Russ) whoare selling theAmis down the river. (We took the translated copies but left the photo original with C-15) The translated text was sent to [] by Walt.

c) AERANTER; C-15 was told that the Aims and Objectives as submitted to us b y C-2 were beäng studied and that in a few days we expect a green light on preparing the scripts. C-15 said that C2 did not want to begin preparing the scripts until we notified him definitley of the approval of the broadcast plans, etc.

e) Progress of Matla and the ZCh, Rebet and Bandera in settling the problem of the triumvirate: C15 stated that nothing definite has been done to date in this respect but that ~~Matla~~ and Rebet have decided to form a duo and honor the Homeland's decision in this manner if ^Bandera does not go along with them. In anticipation of this move, C2 requested via C15 our financial support of this duo and their group. (Perhaps he knows definitely that Bandera will not go along or perhaps he wants our assurance of financial help which the duo can use as a bargaining point with ^Bandera.) We made no commitments to C15 in this matter.

f) The courier from Miron's hq: It was suggested by Pidhainy that the newly arrived courier could be taken in by the ZP if they so wished. C15 stated that C2 got word that the courier came from Chernets' rather than Miron's. This is confusing since our repts. from Lobby show him to have come from Miron instead. ~~Pidhainy~~ also intimated that the ZP could use his agent material (recruits) if they so desired. The question: what kind of a game is Pidhainy ~~playing~~ playing. Is he about to switch horses because he realizes from the basis of the contents of the pouch from Miron that Bandera has had it? C15 could not answer the question and it is doubted that he even knows. That goes for C2 too unless he's been in on something which he has not told us about.

Note: Re C2's request for financial aid for the duo of Matla and Rebet and EGMA 8979 where in Capelin reports on Lebid's reluctance to want to solve the difficulties now present between the ZCh and the ZP it is possible that C2 is about to lower the boom on ^Bandera.
