Ukrainian Operations.

CIA/SIS Meeting July 13th - 15th, 1954.

1. CIA and SIS exchanged information on the present position in the Ukraine, the remaining assets there and the future plans of both Services with regard to these assets.

2. It was agreed that the following points will be made clear to ~~LEBED~~ ^{Mo 201} ~~Leader of the ZP/UHVR~~ at a meeting in LONDON on 16th July, to be attended by CIA and SIS Representatives, ~~LEBED~~ and ~~PLDH JNYJ~~: - []

- (a) LEBED's position as Head of ZP, and the fact that he holds a mandate from the homeland as their official representative, are recognised by both Services.
- (b) SIS will inform LEBED of any political messages or developments which come through SIS-controlled communication channels, and are in turn prepared to pass political messages from LEBED to the field. This, however, is entirely dependent upon the security, organisational and technical considerations which may prevail at the time, and which may cause either a postponement or cancellation of the transmission of any such message.
- (c) The proper channel for the passing of any messages to and from LEBED is via existing CIA/SIS channels. Any direct transmission of such messages to and from LEBED by the newly-formed ~~Z.Ch/OUN~~ must be avoided.
- (d) CIA and SIS regard with approval the recent reconciliation between the ZP/UHVR and the newly-formed Z.Ch/OUN, and will carefully consider what moral and other support can be given them in the near future.
