MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with AECASSOWARY 15

DECLASSIFIED AND RELEASED BY  
CENTRAL INTELLIGENCE AGENCY  
SOURCE METHOD EXEMPTION 3B2B  
VAZI WAR CRIMES DISCLOSURE ACT  
DATE 2007

1. Upon the request of AECASSOWARY 15, the undersigned case officer met with him on 16 November 1955 and the following items were discussed:

- a) AECASSOWARY 15 was told to inform AECASSOWARY 2 and 4 that the spotting and recruiting issue was still paramount.
- b) The names of persons in Canada and Australia should be compiled; however, no positive action should be taken until the undersigned approved.
- c) The plan to utilize AECASSOWARY 4 as an AEACRE Covert Consultant has been disapproved; however, he should be prepared to travel on spotting and recruiting missions.

He will be reimbursed for his travel and per diem.

- d) The AECASSOWARY 1 group should not be impatient with the timing since it was imperative that the working relationship be built on sound principles in order to preclude the haphazard recruiting and training of the early REDSOX era.
- e) The letter to AECASSOWARY 3 has been forwarded and should be in Munich prior to the arrival of P. Baranowsky.
- f) It was reiterated that the relationship will be limited to spotting and in some cases recruiting. Once this candidate has been accepted, he will be the charge of the case officer. We will, of course, share any intelligence take which concerns the group.
