Canadians Who Have Received Political and
Espionage Training in USSR

Message to

1. From a confidential informant, ABCASOMANT-2 received the attached list of eighteen Canadian citizens who have had several years of political and espionage training in the Soviet Union. It is ABCASOMANT-2's contention that these persons were trained in connection with Soviet long-range plans for work among the Ukrainians in Canada.

2. Please ask SHABOVZ to check out this list for the accuracy of the information (i.e., were these people known to be out of the country during the period noted) and, if possible, to provide us with any other information which SHABOVZ may have concerning training or these persons' visit to the USSR.

3. ABCASOMANT-2 may be described to Liaison as a usually reliable source.
