REFERENCE(S)										
<p>1. We note in State Department dispatch No. 179, dated 8 April 1959, the following paragraph on page 1 of enclosure No. 2 which is a memorandum of conversation between Mr. Mykola LIWYCKYJ (Chairman of the Executive Committee of the Ukrainian National Council) and the State Department reporting officer on 24 March 1959:</p> <p>Mr. LIWYCKYJ stated as follows:</p> <p>"I consider especially interesting the indications that Prime Minister DeGaulle may be personally interested in the fate of the oppressed minorities of the Soviet Union. It is reported that if Khrushchev again aggravates the difficulties in Algeria, DeGaulle intends to retaliate by openly and actively supporting the Ukrainian independence movement. I have not been able to trace the source of these reports but there are indications that DeGaulle made the statement during his recent conversations with Chancellor Adenauer."</p> <p>2. Although it is realized that this may just be a rumor started by the Ukrainian emigres themselves, it is considered important enough to check out for the purpose of verifying the credibility of the statement.</p>
