

Letter received by C. Zelenko in London from V. Mykhailovych DUBOVENKO who was in Dusseldorf with Verivka Choir.

Letter postmarked Dusseldorf

Dear Const. Petrovyuh!

It probably will surprise you to receive my letter from Dusseldorf. I am taking advantage of the opportunity to invite you to Hamburg to the concert to be given by the Ukrainian National Chorus which will take place between 3 and 12 November of this year.

Remembering our meeting in Vienna, it would make me very happy if we could meet again. Besides, I should like to get the Ukrainian national songs which I promised Andriy to him. In case you are not able to come, then maybe Andriy can come. I should like to fulfill my promise and give them to you or Andriy.

Respectfully,

Volodya
