MGKA-7187 (29 March 1949) respectively. CASSOWARY 6's PRQ Part 1 went out under MGMA-1243 (7 June 1949). CAPELIN's biography was forwarded to Headquarters in February 1952 by [] under MGMA-08530 and 08696. CASKET's PRQ Part 1 was sent in 1949 (reference unknown) by [] CAPELIN and CASKET have been considered as part of the AERODYNAMIC project because they are paid out of AERODYNAMIC funds.

c. CASSOWARIES 3, 4 and 6 receive no salary or living expense money although they get 4 cartons of cigarettes apiece montly plus 2 bottles of liquor apiece monthly as well as 1½ lbs of coffee per person.

The CASSOWARY 1 newspaper is subsidized by us to the extent of 14,000 DM. About thirty CASSOWARY 1 members or sympathizers are employed by the paper.

The CASSOWARIES receive 350 DM per month for the purchase of gasoline for their personally owned vehicle.

In addition railway trips that the CASSOWARIES take on our behalf, cost us an average of 150 DM per month. Most of the trips are between Munich, Landsberg, CSOB/K and Bonn (where two returnees of the P/A program reside). There is no rent on the one safe apartment which is in Army controlled billets.

WITSKY CAPELIN receives only 250 DM per month salary. (From Boris Bentisky he receives an equal amount.) As of 1 January 1951 we have rented a safe apartment for meetings with CAPELIN. This rent cost varies according to the season of the year: in the cold months when heat is needed it comes to 105 DM; in the warm months 80 DM. CAPELIN also receives six cartons of cigarettes (his wife smokes too) and two bottles of liquor per month.

CASKET get ten cartons of cigarettes per month and that is all. No safe apartment provided.

Approximately \$50.00 is spent each month for recreation: athletic equipment, etc.

Laundry, mainly from the kitchen, averages 150 DM a month.

Miscellaneous equipment and maintenance of clothes and other items averages 300 DM per month.

Rationed supplies (per week per man: one carton of cigarettes, two or three bars of soap, four chocolate bars) come to about \$100.00 per month. No liquor ration although coca cola and beer are included under food.

Food averages 4000 DM plus \$300.00 monthly. This comes out in dollars to \$1.90 per man per day counting the two American staff members.

(The food is excellent and is calculated to make up for the fact that these men have less freedom than do the members of a normal Labor Service Company.)

Medical expenses including dentist bills, etc. average 100 DM per month.

d. The main installations at Landsberg consist of two buildings, an office building and a combination barrack-building and mess hall.
