SUBJECT: Rumors about Gomulka's demand for LVOV

SOURCE : SYM,O., of Malmo,Sweden who arrived from LVOV
at the end of December 1962 for good to her son.

1. In Dec 1962 there were rumors in LVOV and all over the Western Ukraine that during recent meeting of GOMULKA with KHRUSHCHEV in KIEV , the former asked the latter to give LVOV to Poland. KHRUSHCHEV replied that he was not competent on this matter and GOMULKA would have to talk about it with Ukrainian government in KIEV. He also warned GOMULKA that he had no chances whatsoever because LVOV had been rebuilt and Poland would have nothing to give in exchange for such a beautiful city ,and besides, Ukrainians were very sensitive about their Western capital and would never resign from it.

2. Source made ^{no} comments of her own.
