MEMORANDUM FOR: CTSD/POB/OSL

ATTENTION : [Redacted]
Room 4100 South Building

SUBJECT : Request for Processing of Film

1. It is requested that the attached cartridge of film (being hand-carried to your office) be processed by Friday, 12 February, if possible. The cartridge reportedly was brought from the Soviet Union by the source and, unfortunately, was damaged en route. We have no information as to whether the film is black and white or colored. We should like to have a negative and a positive in a size large enough for the print to be legible if it contains a message as reported by the source.

2. Any inquiries regarding this request should be addressed to [Redacted] in room 5B29 on extension 7168.
