1. We would appreciate very much your checking on Donald MILLER, aged 30-35, and particularly whether he is a member of, or in any other way connected with, Birch Society.

Donald MILLER - editor of "Freedom Facts", at one time very active in "All American Conference to Combat Communism", held a speech at the Congress of UCC (UKK) in 1962 and a note about it was published in Syeboda at that time, only his first name was stated as George. Could you also check if there is a George Miller affiliated with Birch Society?

2. Could you also check on George W. DRANCE, aged 35, of Ukrainian descent, speaks very bad Ukrainian, of 693 Seneca St, Buffalo 10, N.Y., employed with American Airlines as publicity man in New York, N.Y. On 11 Dec 1965 Prof Lev DOBRIANSKY brought him to a session of UCC as the man who was going to tell UCC how to organize money for its activities. His main suggestion was to get into contact with right wing industrial circles in Southern states.

On 15 Dec 1965 DRANCE visited Roman ILNYCKY at his office and asked what he had against Prof DOBRIANSKY. After ILNYCKY explained to him that he had nothing personal against DOBRIANSKY but did not approve of his (DOBRIANSKY(S) policy in the UCC affiliating the latter with extreme right wing elements incl. Birchers and regarding the UCC as his private courtyard, DRANCE agreed with ILNYCKY. He stressed that he also was against Birch Society but not against some right wing industrialists who would eventually support UCC.

DRANCE wanted also to know whether ILNYCKY was affiliated with ZP explaining that he knew all Ukrainian groups only by their "initials". ILNYCKY told him that he was. DRANCE told him that he would talk "at once" to DOBRIANSKY and LESAYER in order to convoke the Political Council of the UCC as soon as possible and to resolve those problems.

DRANCE told ILNYCKY that he was employed with Creative Cover Lithographers of 516 Fifth Avenue, N.Y.C.

3. Could you tell us what is Liberty Lobby (its political profile) and Private Freedom Academy (US Freedom Academy) in North Carolina?
