## Project AERODYNAMIC Plans for FY 1960-61

1. Expand and continue to exploit contacts among the Ukrainian minority in Poland as a means for relaying PP materials into the Soviet Ukraine for PP and future FI purposes.
2. Expand the exploitation of legal travelers into the Ukrainian SSR.
3. Conduct contact operations with Soviet tourists in the West. Under the direction of the Headquarters case officer, the AERODYNAMIC PP panel will continue to provide a medium for any special political or PP tasks which may arise, such as distribution of PP materials to Soviet delegations and tourists in the West. Special activities in this connection are being planned for the Vienna Youth Festival in 1959.
4. Continue the preparation of the INFORMATION BULLETIN in the Ukrainian language for dissemination to the Soviet Ukraine by normal channels. The possibility of distribution via balloon will be explored.
5. Continue the preparation and publication of the quarterly English-language magazine, PROLOGUE, in order to help maintain the present cover arrangement of the AERODYNAMIC PP panel.
6. Provide support and PP materials to a ZP/UHVR representative in Madrid for the preparation of live Ukrainian broadcasts to the Soviet Ukraine from Radio NACIONAL.
7. Provide financial support and political guidance to the Ukrainian-language broadcasts over Radio PYREX.
8. Continue subsidizing the Ukrainian-language newspaper SUCHASNA UKRAINA and the journal UKRAINSKIY SAMOHETNIK published in Germany as a political instrument directed against the Soviets. These publications serve as the overt voice of the ZP/UHVR and OURZ in countering Soviet attempts to destroy the effectiveness of the Ukrainian emigration in its fight against Communism.
