SUBJECT: Meeting with AECASSOWARY 15

1. The undersigned met with AECASS 15 in order to give him \$1400.00 to be used by AECASS 2 in his trip to Rome and Switzerland. Other than this, the following topics were discussed: a) Informed CASS 15 that we received word from Muni that CASS 3 would be in Rome on 27-29 May and desired to see CASS 2 there on these dates. Advised him that cable sent to Muni telling CASS 2 that CASS 2 would try to make this meeting but in the event he could not, that CASS 3 was to wait at Bucsko's in Rome a day or so longer. CASS 15 said he would convey this information to CASS 2 so he could begin preparations for the trip. CASS 15 said he would go to NY either on the 27 or 28, depending on when CASS 2 was to depart.
2. Brought ink and paper to be used in writing to Carthage 12. CASS 15 said the letter we intended to write would ~~have~~ have to wait until Tues. June 1 since he planned on remaining in NY over the Memorial Holiday.
3. Asked CASS 15 to furnish me with a progress report of the Study Group, which request I had made several weeks ago. This he said he would do. Also asked him to check on the house for the RANTER project. Told him to remind CASS 2 to have Shirline inform us when CASS 2 would return, flight No. date, etc. so I could arrange for someone from the Immigration Office to meet him in the event there arose some question re his entry etc.
