13 August 1954

SUBJECT: Meeting with AECASS 15

1. Get Cass 15 in order to write message to Carthage 12. (see S/W messages to C-12)

2. Give Cass 15 copy of letter sent to us by SYOPIA ~~ma~~ ~~thobuch~~ originally written by Drobobuch Okrug chief in 1952 to CUN/B ops leader in emigration, Fidhainy. He said he is familiar with the letter since Cass 2 had gotten info about it from Fidhainy when he was in England.

3. Cass 15 was in N<sup>+</sup> last few days and reported that Cass 2 still was not sure about some points re the black radio. This was re the points Mattie wrote re the first four broadcasts, their timing, etc. to prepare the ~~Ukrainians~~ Ukrainians for future broadcasts.

I told Cass 15 to call Cass 2 and to tell him that the name of the Radio could be "Free Ukraine, that a female voice was not necessary that frequencies could not be given because of jamming, etc. I told him that now that we have arranged everything it was up to them to get going. Did he expect us to make the recordings now?

4. Cass 15 said Cass 2 was undecided what to do about future messages to Mak or Ivan. I told him that if he did not come through with some suggestions by the 21 Aug 53 date that I would send some high on my own. He said that Cass 2 wanted to talk to Dynamo about the operations, mainly because Dynamo had talks with the British.

5. Cass 15 was working on the translations of the Myron-Syopia messages and promised to have them ready by next week.
