MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with AECASSOWARY 15

1. The undersigned met with AECASSOWARY 15 on 22 July 1955 and the following subjects were discussed:

a. AECASSOWARY 15 noted that AECASSOWARY 2 would like to have copies of the leaflets for his archives.

b. AECASSOWARY 2 would also like to have the SOSNOVAY work on the famine in the Ukraine returned.

c. The possibility of aid to Ivan and a letter to him.

d. Wanted to know if we had anything further on OSMAK, the former president of the UHVR.

e. Whether we could get names from NOBLE on those Ukrainians he knew in concentration camp.

f. Reorganizing the operational PP and FI concepts to meet present-day realities.

2. AECASSOWARY 15 stated that in his last meeting with AECASSOWARY 2, the latter requested that samples of the leaflets produced for the 1 August and 1 September drop be given him for his archives. AECASSOWARY 15 further wanted to know if the summit talks would have any bearing on the drops. He was told that they would not and the matter was pursued no further. However, for the record, [] the case officer on the [] stated that the State Department had requested an abatement of aggressive PP activities until the meetings terminated. The ban has now been lifted and the drops will go as scheduled.

3. Regarding the letter to AECARTHAGE 12, it had been the undersigned's opinion that a letter was forthcoming from AECASSOWARY 2 for mailing to AECARTHAGE 12. According to AECASSOWARY 15, however, [] requested that the letter be delayed until further word from us. This word was never given and as a result, the letter is past due.

The matter of aid to AECARTHAGE 12 was also broached by AECASSOWARY 15. He was told that the matter needed much planning and consideration, therefore an answer could not be given at the present time. AECASSOWARY 15 thought that the aid could be exclusively financed with no supplies at this time. The matter was deferred for future talks. (a)
