- a. The Uk Coordinator will keep a log on all the meetings held with contact agents by the various Sections concerned. It will be their responsibility to prepare contact reports, a copy of which will be filed with UC.

- c. The UC will maintain a log on all Uke problems which come in the course of the month. This log will be used for reference and for briefing purposes at the monthly inter-sectional meeting of all personnel working on Uke projects.
- d. The UC primary coordination activity will cover SR3/W3, (CE) ~~SR/PP~~, SR/PP (PP), and SR/7 (Redsox) and any other sections working with the Ukrainian emigration.
- e. The UC will be responsible of informing the field case officer in MUNI of all activities re the Ukes at Hqs. This will necessitate regular informative or explanatory dispatches.

2. [] suggested that the UC become acquainted with the AEQUOR case, and become better acquainted with the personnel and activities of SR/~~PP~~ (FI-AEACRE); SR/PP; and SR7/ Redsox. He will facilitate introduction to the chief personnel.

3. Other problems discussed included the original memo on "Coordination of Ukrainian Affairs" (10 Dec 56) and the problem of bringing it up to date and disseminating it to the people concerned. [] cable re the proposed budget cut was also discussed and it was decided to send a

dispatch instead and explain more fully to the field the reasons for the cut and our proposals re the budget for the new fiscal year 1958.

[] made the suggestion that instead of cutting^{out} the budget of Ukrainskiy Samostivnik, the former should be amalgamated with the Suchasna Ukraina. This was approved and would be incorporated into the dispatch which [] would prepare for the field.
