MEMORANDUM FOR: Chief, Foreign Intelligence

VIA : Projects Branch

SUBJECT : Project AERROOT (Request for Extension of
Renewal Date)

REFERENCE : Memorandum dated 28 February 1956 from Chief, SR/COP
to Chief, FI

1. The referenced memorandum was a request for an extension of the renewal date for Project AERROOT to 30 June 1956. It is requested that the renewal date of this project be further extended to cover the period from 1 July through 30 September.

2. This request is made for the following reasons:

- a. the Senior Project Case Officer, is currently on TDY in Germany where he is interrogating two alleged recent escapees from the Estonian SSR (both of whom have previously resided in the United States). These alleged escapees are suspected of having been sent on a mission by the Soviet Intelligence Service. The results of this information may contribute substantially to the analysis now being carried on by this Division for the purposes outlined in Paragraph 1 b and c of the referenced memorandum.
- b. A definite date for return to Headquarters is still undetermined. Since he is the Senior Project Case Officer, it is felt by this office that plans for a complete revision of Project AERROOT, as referred to in Paragraph 2 of the referenced memorandum, should be deferred until his return.

3. It is estimated that funds needed for the operation of Project AERROOT during the period 1 July through 30 September will be approximately FOR FISCAL YEAR 1957.

4. For any further information, please contact Room 2605 J. Building, extension 8256.
