MEMORANDUM FOR: Chief, FI

SUBJECT : Request for Extension of AEROOT

1. It is requested that the AEROOT Project be extended for an additional six months to 30 September 1958. The project was last renewed on 6 July 1957, for the period 1 November 1956 to 31 March 1958.

2. AEROOT is a roof project covering a number of CE and FI activities. A preliminary Headquarters review has resulted in the finding that continuation of AEROOT as a roof project appears no longer justified. We are planning to:

a. Write separate FI projects for those assets of the roof project which have a reasonable chance of producing.

b. Weed out those elements which are non-productive.

c. Separate valid CE assets and write a separate project around them.

d. Terminate the roof project by 30 September 1958.

3. The extension is necessary to give the [ ] and Headquarters sufficient time to complete a critical review of the project, and to make funds available until new projects can be prepared and approved.
